HELEN HOWARD

Helen - don't you think this has been a great year? We've had a lot of fun! Remeber Civics and Mrs. Carringer - how could you forget? You're a cute and very lucky girl. Remeber the little bit of luck you got with the "Ides of March"? Remeber all the great dances and what fun they were. Remeber 1st period! Have fun this summer and good luck with Kush! Hope to be in some of your classes next year. Remeber the great spirit of the freshmen and the great class of '15.

Cindy Kohler

Hi Helen!

Well this year
really flew by. Being
in your Secondary class
with you was a lot of fun.
Remember our trip to the
Pumpkin Patch and how
we saw a lot of
corn? Remember
when we saw
Mrs. Carringer
without her
wig on? Have
a great summer
and be good.

Love,
Jasmine

There ain't nothing we can't do, we're the class of '72!

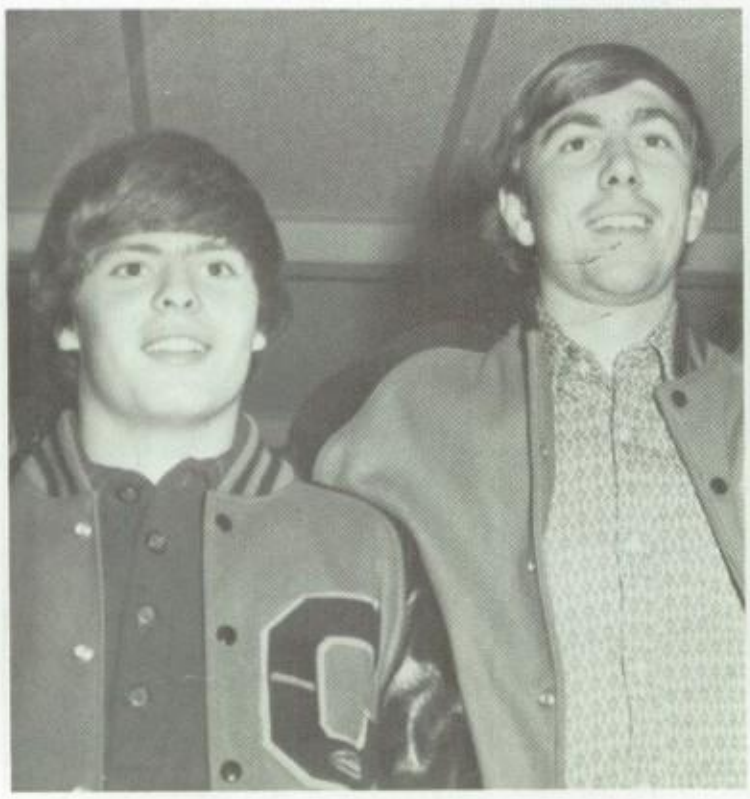
Daydreaming . . .

Get in line!

Friends, buddies, and pals . . .

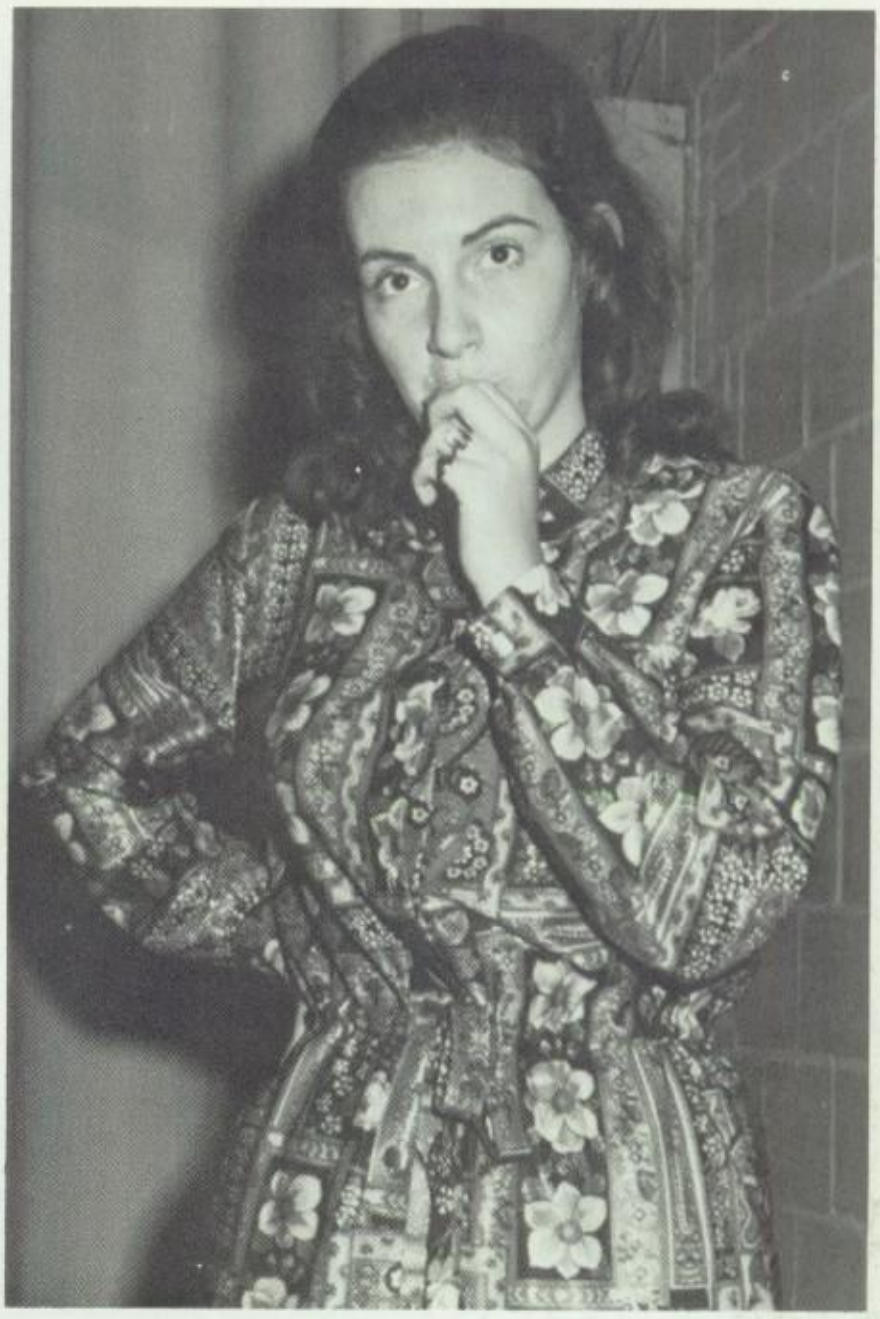


I'll never get this right

Queen Elizabeth?

That's going on the senior float?

didn't wanna pass anyway.



Problems! Problems! Problems!!!

Two fifths, two cases, or $10?

homecoming relived

jimmar's jewels

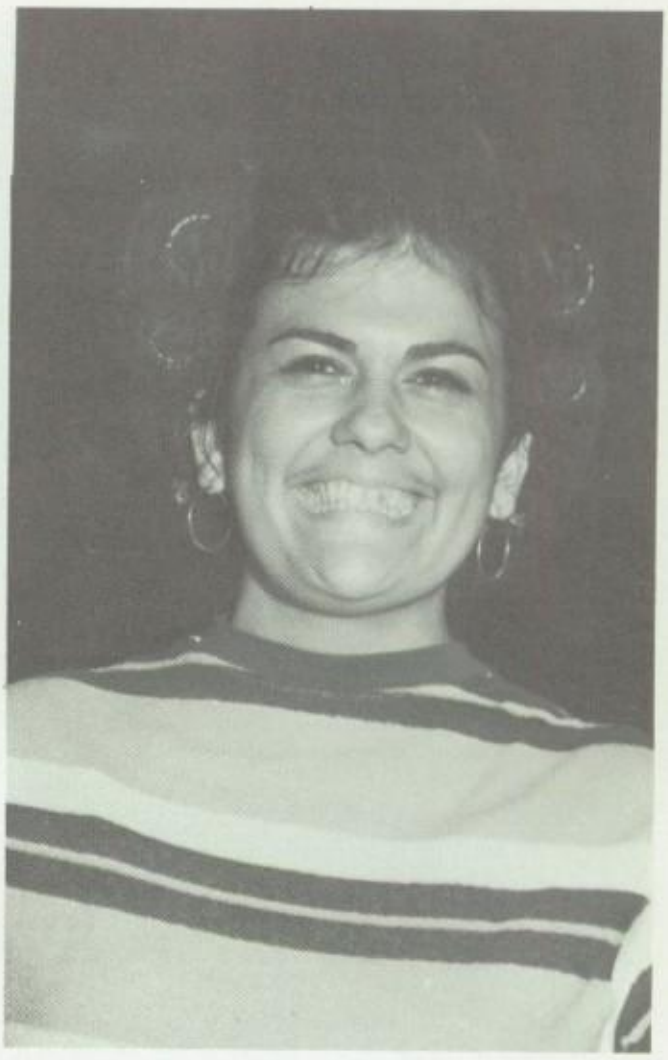
shining up for homecoming

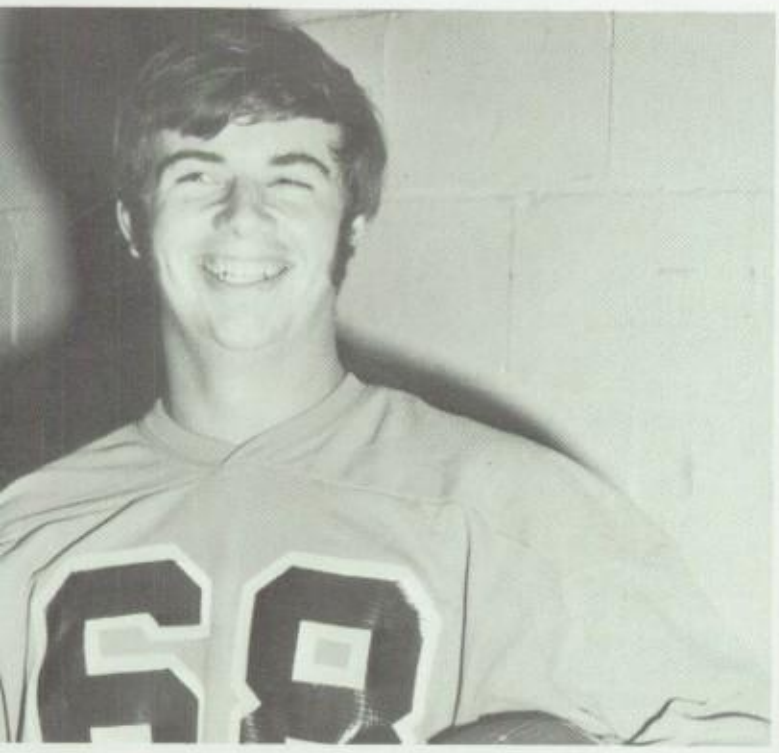
the mad scientists of '72 . . .

back of the year

the best!

cheers!





smiling faces of seniors

a junior is . .

watching, waiting, hoping
trying new things
growing up
a dreamer
brave enough to roam the halls
a diligent sign painter
discovering his
American Heritage
better at sports than he was
last year
driving his own car to school

Helen,

Well we've really gotten to be good friends since last summer and I'm really glad. Working with you and messing around I've learned that you are a concerned, industrious idiot. Stay that way!

Don't ever forget all the times with the kids and all the times Jan & you & I goofed around!

Anyway I want you to know I think you're a really good kid (even if the kids like your way of directing better than mine) and if anybody asks who likes to have Helen for a friend I'll say —

I do, I do!

Oh yes, don't ever all ads . . . those crazy

Next year promises to make our friendship even better — (LET'S SEE WHAT WE CAN DO TO FIX THAT!)

Keep on trucking!

Helen, I have really enjoyed your friendship... even though we just met a few months ago. To be here to help you with with your geometry has not only been fun at times but helpful to me, too! I hope you continue to learn, and grow and have fun at Coffee and throughout your life to come. I appreciate your maturity about so many things!... you can be sure that it will help you so much later on. Let's hope to pull you through that geometry O.K.: and let's keep in touch. Be as smart and as open-minded for always as you are now. Remember to always look up and have faith in God.

Hey Helen!
There's not much to say ~~[illegible]~~ except it's been an interesting year!!!
YEAH WELL...
There's no way to say what your support, advice, anaylization (?), bitching, understanding, blabbing, and friendship has meant to me this year.
The adventures & experiences of this year have been too numerous to even think about. What would we have done without Cindy, Beverly, First Born, Reiser, Mary, or Sandy to drool over, Tony & Mike, Russell & Randy, and on and on and on!!!!
There's been some beautiful times, there's been some Hell, but, as Jedd (or is it Jim?) would say — THAT'S LIFE!! And life is only made for those who have the courage to enjoy & live it!! Don't ever forget that — 'cuz I've always thought of you as one of those.

To a Typical Freshman-

Helen,

Here goes another year and what a year! We've come a long ways from 9th grade. I hope we'll be even better friends next year and I hope we turn out like our dreams. Keep smiling-you're one of the kindest and sweetest people I've ever met. I'm so glad to have you as a friend. I hope you understand the why for all the times I've been late or forgotten things. Be good, don't get mono, see ya this summer!! Hope we have more classes!
